OUR ADVICE

To the young men for years has been:

"Have a Bank Account."

The young man with a bank account is in a position to withstand a period of hard times. If misfortune befalls him and he is out of work, he is backed by his money in the bank. This bank will be glad to assist you. Start an account at once.

Dame Fashion has said "Stiff Collars" for the early springso The Grand Leader has them. Nothing in the line of collars has ever shown so much tone and style.

Some have blind embroidery—others profuse English eyelet work-and some are quite "chic" with just a touch of color.

All are washable-and seasonable. The "Melba" washable linen stock and collar combined, and the mull embroidered bow ties, lend much of feminine interest to the neckwear section this week.
